PRAYER NEEDS:

Praise God for providing so many opportunities to share about Jesus

Pray for wisdom, strength, guidance, and good health for us during this year

Pray for more contacts with military bases in northern Germany

Pray for wisdom for these important people who touch the lives of the military:

1. Cornelius Vereinigung
2. LTC Sascha Zierold
3. Chaplain Assistant Christian Fischer
4. Major Daniel Gerlach

There is always so much to share concerning our time in Germany that it is hard to know where to start. More Bibles were asked for this time than ever before. To be exact, 4630!

Much is happening in Europe that is drawing people to God's Word. Hearts are hungry for answers to their questions of what the future holds.

As we enter this New Year 2016 we are excited and looking forward to what Jesus has for us and we pray that you realize that God is in control of all things. Let us all draw near to God during these times and He will draw near to us. (Heb. 4:8)

Once again we had the privilege of attending the fall conference of Cornelius Vereinigung. These Christians in the Bundeswehr are very active in helping to distribute our Bibles where each are stationed. We always take a whole car load with us when we go, as many as our 99 Ford Fiesta will hold!

This time there were several people who had never attended. We were delighted to meet Major Daniel Gerlach (man in white shirt in picture below with Roger). This was his first time to come and he was very happy to

Cornelius Vereinigung in Huelsa

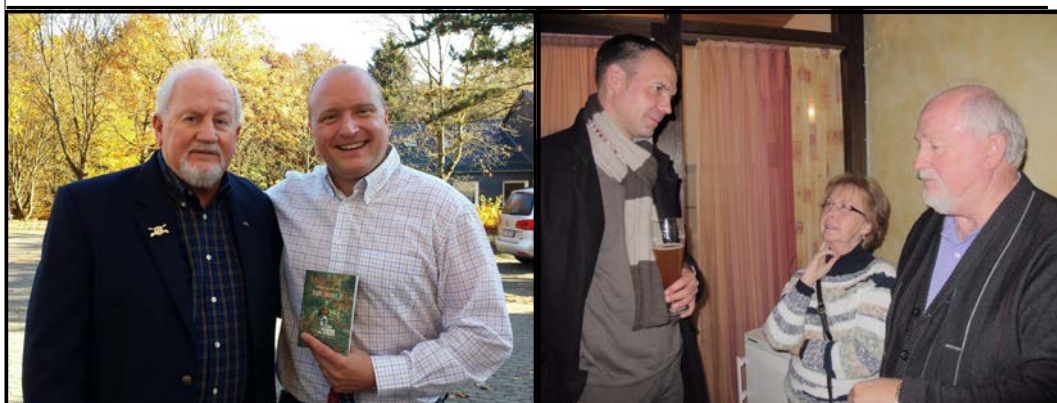

tell us how much our Bible meant to him and the soldiers who are deployed in Afghanistan, Mali, and Iraq. He said that soldiers who are in harm's way are always more interested in reading it. He wanted to thank everyone who has given to make this Bible possible for all the soldiers.

We, also, had a wonderful time in fellowship and praying about difficult situations our governments have to face. There is such a great need to pray for our nations, and being

unified in this kind of intercession is very pleasing to God. The Apostle Paul has given us this exhortation to pray for all who are in authority.

LTC Sascha Zierold (with us below) is President of this organization. He just wrote us thanking us for sending Bibles to Afghanistan to give out this Christmas. It is a lonely time for soldiers and this will be a blessing for them!

We thank God for you and pray that God blesses you mightily throughout the new year!

Jonas Herrmann & Roger

At the CoV conference we were delighted to meet yet another first-timer. Jonas was setting at our table for breakfast and we thought he was the son of one of our friends. We asked how he came to be at the conference and what he said was a pleasant surprise! "I'm here because I received your Bible while stationed in Berlin."

Inside the Bible is information about our partnership with Cornelius Vereinigung. He was so happy to find this Christian organization and that there were Christian conferences for soldiers.

Jonas has now completed his military service and is going to the University of Heidelberg to study military history.

This was certainly an encouragement to us to pray for God to draw more and more people to Him as we continue to lift Jesus higher and higher!

Operation Centurion is a Christian non-profit organization reaching out to NATO soldiers and their families. The organization provides Bibles and Christian reading material. Roger and Margaret are the Founder and President of the organization. Bibles have been printed with camouflaged covers to be given out to Russian and German soldiers. Russian Military Bibles (28,000) have been previously distributed. Every Bible has the Plan of Salvation along with a foreword, written by Roger, to encourage the soldiers to accept Jesus as their personal Savior.

Operation Centurion is a 501 © 3 Non-Profit ministry.

NEUBERG AN DER DONAU

We were happy again to supply the Air Force Kaserne in Neuburg an der Donau with Bibles. It is always a pleasure to meet with Christian Fischer and this time it happened to be his birthday. So we went to lunch to celebrate and then came back to the barn to give him 720 Bibles!

We were happy to hear about the Bible being distributed with eleven other chaplain assistants that Christian has contact with. Most of these contacts are in the southern part of Germany so we are now concentrating on contacting some military bases in the northern part to see if they also would like to have some Bibles.

Since our car will not hold more than 360 Bibles, many of the chaplains are willing to come to us to pick up Bibles, especially if they want large quantities. This is a great help

Roger and Christian Fischer

to us but we do love driving to the different military bases and meeting with the soldiers and chaplains.

This past year has been quite exciting because the desire for Bibles has been great. The Bible says in Psalm 19:10-11 "God's laws are more desirable than gold, yes, than much

fine gold; and sweeter than honey and the drippings of the honeycomb. Moreover, by them your servant is warned; In keeping them there is great reward."

Lord, help us all to hunger for more of You and your Word and receive the great reward that comes through obedience!
